Air-Activated Warmer Product Donation to Ukraine

KOBAYASHI Pharmaceutical Co., Ltd. (Head Office - Osaka, Japan; President - Akihiro Kobayashi) has donated air-activated warmers to Ukraine to support people who are facing difficulties in the country.

Same as March last year, Kobayashi Healthcare Europe Ltd., the Kobayashi Group's U.K. subsidiary, has donated air-activated warmers through a volunteer organization in the U.K.

(March 2022: approximately 900,000 warmers, February 2023: approximately 600,000 warmers)

Products Donated	
Amount	Total 600,000 pairs of hand and foot warmers
Area	Central, Eastern and Southern Ukraine

The Kobayashi Group expresses its deepest sympathies to the many people who are facing difficulties in Ukraine and the surrounding areas, and hopes that they will be able to return to a safe and peaceful life as soon as possible.

We will continue to monitor the situation closely and provide humanitarian aids where possible.
