PRECAUTIONS FOR STORAGE AND HANDLING

- (1) Keep the cap tightly closed and store this product **in a box** in a cool place **away from direct sunlight**.
- (2) Keep out of the reach of children.
- (3) Do not transfer this product to another container (it may cause improper use or loss of quality).
- (4) Do not share the cup for washing eyes with others.

DIRECTIONS FOR USE

- The amount of liquid in one cup is for one eye only, not both.
- Do not wash your eye for longer than 30 seconds.
- If you wear contact lenses, be sure to take off your contact lenses before use.
- Wipe off make up or dirt around your eyes completely before use.
- Depending on the conditions of storage, pink crystalize can be attached around the opening of the container. In such a case, wipe it off lightly with clean gauze.
- This product can be used by persons who are not using contact lenses.
- The color of the liquid indicates the presence of vitamin B₁₂. If you accidentally spill the liquid on your clothes, wash it off immediately with water.
